<p>Was the MESA information you received in your home country clear? Was the description of your training site accurate? What more would you have liked MESA to send you before you left your home country?</p>	<p>Yes, what information that I received about MESA and training site (Rodale Institute) in my home country was clear, and what MESA send to me before I left my home country is enough</p>
<p>If you worked with a Program Representative in your home country, was he/she helpful? Is there anything more the Representative could have done to help you complete your application or to better understand MESA's program?</p>	<p>I was not worked with a Program Representative because no MESA representative in my country</p>
<p>Any problems with housing, electricity, heat, phone, driver's license, bank account, transportation? Other problems?</p>	<p>No problem with housing, electricity, heat or phone. The problems are just about transportation and driving license.</p>
<p>Describe the training you have received since getting to your placement site. What have you learned so far? Have you attended any special training, workshops, conferences, classes, etc.?</p>	<p>I got much training since I am in here (Rodale Institute), such as basic farm work training (hoeing, transplanting, weeding, planting, etc) , tractor training (driving tractor, handle the implement and use the implement), ASC/CSA workshops, Grafting training, Greenhouse maintenance training, composting, soil conservation training, no-till farming training, Marketing training, etc</p> <p>In Short word, Rodale Institute is a perfect place to get training about organic agriculture</p>
<p>Have you been involved in an cultural activities since your arrival? (examples : farmers' workshop, library event, soccer games, family activities, etc)</p>	<p>Yes, I attended and involved on farmers workshop that held by PennState Extention, Staff birthday party, and farm tour</p>
<p>Any suggestions to improve MESA's program?</p>	<p>I hope MESA open representative in my home country.</p>
