Was the MESA information you received in your home country clear? Was the description of your training site accurate? What more would you have liked MESA to send you before you left you home country?	Sometimes the information was not clear. I would like that MESA helps with orientation in the different forms and explains about of the process.
If you worked with a Program Representative in your home country, was he/she helpful? Is there anything more the Representative could have done to help you complete your application or to better understand MESA's program?	Yes there is.
Any problems with housing, electricity, heat, phone, driver's license, bank account, transportation? Other problems?	I have no problems
Describe the training you have received since getting to your placement site. What have you learned so far? Have you attended any special training, workshops, conferences, classes, etc.?	I have had different kinds of work, my host teach me about all the works, I have participated every two weeks in visit to different farms in Massachusetts for learn about their management and work.
Have you been involved in an cultural activities since your arrival? (examples : farmers' workshop, library event, soccer games, family activities, etc)	I have participated in cultural activities
Any suggestions to improve MESA's program?	MESA could provide more accurate information to enroll in the process. And be more organized about the different costs of the program like visa formats, help with the flights, or sevis form in the particular case of Colombia.
