<b>1. Learning Objectives #1</b>	Objective: Learn the principles of pruning by working on different perennial plants. Activity: Observe from my host how to prune grapes, olives and blackberries first under supervision and after some practice without supervision. Finish pruning all olives and blackberries.
<b>2. Learning Objectives #2</b>	Objective: Learn about the different types of wines and their characteristics. Activity: Memorize all the names of the wines produced at the winery and the difference between organic and biodynamic.
<b>3. Learning Objectives #3</b>	Objective: Learn about bottling procedures. Learn how the warehouse works and how to get ready orders with little supervision. Activity: Help bottling and manage machines with supervision. Prepare the wholesale orders starting with the labeling, stacking, etc. Prepare the wine club orders with the other employees.
<b>4. Learning Objectives #4</b>	Objective: Learn how to make compost. Activity: Help in the farm building a compost pile with manure, food from the kitchen and residues from the garden.
<b>5. Learning Objectives #5</b>	Objective: Learn marketing of organic products. Activity: Help in events where wine is sold to the consumer like wine tastings or other events. Study the wineries website to learn more about the wine and how is presented to the clients.

**[Host Signature] I have reviewed these Learning Objectives with our Steward and agree to help him/her accomplish these objectives while training with our farm/business/organization.**
