User ID	nancie2017
Your Name	NANCY MAKENA KIMATHI
Your E-mail Address	nancymakenah@yahoo.com
1. Learning Objectives #1	O-Learn on animal husbandry techniques for all domestic animals. A-observe procedure, feeding rates for the animals, cleaning rotation schedule and keep records.
2. Learning Objectives #2	O- Learn more about the Chicken Eco-system A-observe procedure, take part in the construction of the chicken house and automatic feeding compost, then take notes to ensure that I got the concept as well as research more.
3. Learning Objectives #3	O-learn how to transplant seedlings from the greenhouse the field to the fields at a 95% success rate A-observation, practice on my own research on the different plants and herbs and keep track records.
4. Learning Objectives #4	O-learn how to operate vehicle machinery, tools and equipment in the farm. A- observe procedure, train with maximum supervision as provided with my host and keep on practicing.
5. Learning Objectives #5	O-learn on the different methods of composting. A-observe procedures, take part in the composting processes, read and maintain notes on the training experiences on composting.
[Host Signature] I have reviewed these Learning Objectives with our Steward and agree to help him/her accomplish these objectives while training with our farm/business/organization.	yes ,mike obrien
