1. Learning Objectives #1	Objective: Learn various types of organic crop production methods. Activity: Do research, learn procedure and try on my own while keeping records of my failures and successes.
2. Learning Objectives #2	Objective: Learn how organic farming and sustainable farming differ. Activity: Do research and observe different product from both farming practices.
3. Learning Objectives #3	Objective: Learn the processes of organic dairy products. Activity: Observe the processes and learn to prepare them on my own
4. Learning Objectives #4	Objective: Drafting an agricultural business plan Activity: Research, determine the purpose and learn about different strategic marketing plans.
5. Learning Objectives #5	. Learn how to create herdshare. Activity: Write a report on how it works.
[Host Signature] I have reviewed these Learning Objectives with our Steward and agree to help him/her accomplish these objectives while training with our farm/business/organization.	christinedeck
