## About the Placement:

### Detailed Placement Description

Selling crops for the Community Supported Agriculture (CSA) system. Going to twilight meetings provided by New York State Dept. of Agriculture. Visiting farmers markets and other farms that sell through them. Learning the fundamentals of beekeeping. Supporting the development of community within the CSA and participating in the educational program that teaches about local foods, food justice, care of the earth, and the problems with the current U.S. food system.

### Primary Production :

[Vegetables, Herbs, Bees/Honey](#)

## About the Internship

### Training Hours:

40 hours weekly

### Training Expectations :

Will be training along with head farmer Joe O'Brian 5-6 day week.

### On-Site Training, Steward's primary activities :

Greenhouse planting and transplanting. Cultivation and fertilization of a raised bed system. Planting and harvesting of crops.

### Climate and Location Description

The farm is located 65 miles from New York City in a semi-rural area of upstate New York. We are 3 miles from the towns of Chester and Goshen. There is public transportation from either town into New York City. Typical weather in this region is warm, somewhat humid from April through September with cooler temperatures in October and November.

### Compensation :

\$600/month, Free, daily food

### Accommodations and amenities provided :

The housing is a private room at a retreat/conference center located at Harmony Farm in Goshen NY. The steward will have access to kitchen, living room, private bathroom, laundry facilities, and internet access. The center will have guests throughout the year in a separate section of the building. Once the Steward passes a driving test and has been registered with

the insurance company, she/he will have access to a van for local driving.

**Preferred start date :**

April 15

**Preferred length of internship :**

7.5 months April 15 through November 30
