About the Placement:

Detailed Placement Description

Frey Vineyards is located in beautiful Mendocino County. Our County is popular for its wine, ancient redwood forest and the spectacular Northern California coast.

Most members of the Frey clan work in the family business. They also live around the winery.

Our winery is the oldest and largest organic and biodynamic winery in the country. Our farm grows fruits, vegetables and flowers organically and biodynamically. A variety of livestock is raised in the property as well as part of our commitment to sustainability. Every year, during the Summer months we welcome an agricultural student from France.

Primary Production :

Vineyards and Winemaking
