### About the Placement:

#### Brief Placement Description

Two Gander Farm is a 10 acre market farm and CSA on the outskirts of Philadelphia, PA . We grow a wide variety of certified organic produce in the field along with 10,000 square feet of high tunnel space and a small apiary.

#### Detailed Placement Description

Two Gander Farm is part of a 260 acre preserved farm that is owned by a land trust and

located within the Philadelphia suburbs. Stewards will learn as part of an organization that has a broad mission of land stewardship and applied agroecology. We are a short distance from the SEPTA R5 line that is a direct access to center city Philadelphia. Our CSA community is a vibrant group with members that have volunteered to accompany stewards on outings to Philadelphia and the surrounding area.
