## About the Placement:

### Detailed Placement Description

We have a very diverse environment with employees from all age groups, ethnicity's and counties. There are social opportunities with staff during lunch and breaks and after training within the surrounding community. Training may also include educational and cultural opportunities such as attending trade shows and visiting local farms.

### Primary Production :

Agricultural Food Systems (non-farm), Vegetables

## About the Internship:

### Training Hours:

40 hours/week

### Training Expectations :

Steward will receive more in depth explanations on practices and procedures. He/she may also have the opportunity to attend trade shows.

### On-Site Training, Steward's primary activities :

Sustainable supply chain – retail marketing of non-GMO, mostly organic foodstuffs, prepared foods, and produce, and customer service. Training opportunities vary depending on the specific Training Plan based on the department (example: organic food preparation, organic produce department, etc.)

### **Climate and Location Description**

We are located in the San Francisco Bay Area just east of San Francisco in Berkeley and El Cerrito. This is an urban area with good access to public transportation and many social and cultural activities as well as near by farms and dairies.

### **Compensation :**

“employee” discount at our two stores

### **Accommodations and amenities provided :**

Stewards are responsible to find and pay for their own housing, local transportation, and daily food.

### **Preferred start date :**

anytime

### **Preferred length of internship :**

6-12 months
