About the Placement:

Detailed Placement Description

We have a very diverse environment with employees from all age groups, ethnicity's and counties. There are social opportunities with staff during lunch and breaks and after training within the surrounding community. Training may also include educational and cultural opportunities such as attending trade shows and visiting local farms.

Primary Production :

Grain, Vegetables

About the Internship:

Availability:

Accepting Stewards

Training Hours:

40 hours/week

Training Expectations :

Steward will receive more in depth explanations on practices and procedures. He/she may also have the opportunity to attend trade shows.

On-Site Training, Steward's primary activities :

Sustainable supply chain - retail marketing of non-GMO, mostly organic foodstuffs, prepared foods, and produce, and customer service. Training opportunities vary depending on the specific Training Plan based on the department (example: organic food preparation, organic produce department, etc.)

Climate and Location Description

We are located in the San Francisco Bay Area just east of San Francisco in Berkeley and El Cerrito. This is an urban area with good access to public transportation and many social and cultural activities as well as near by farms and dairies.

Compensation :

15.75/hour, health insurance after first full month, plus up to \$150 rent subsidy if rent exceeds \$800/mo.

Accommodations and amenities provided :

Stewards are responsible to find and pay for their own housing. If rent exceeds \$800/month, we will contribute up to \$150 rent subsidy.

Preferred start date :

anytime

Preferred length of internship :

6-12 months
